

ELMORE PLANNING COMMISSION
MEETING MINUTES
FEBRUARY 25, 2015

Present: Whit Hartt, Chair; Colin Reynolds; Shelia Rysz; Seth Jensen (LCPC)

The commission reviewed the section of zoning bylaws regarding *Stormwater Management*, which is not currently a part of the town's zoning bylaws.

It was agreed that we have completed the *Stormwater Management* section (with new language for the "site plan" portion), and the draft version of the completed town zoning bylaws is ready to be forwarded to the Select Board.

The EPC will warn and hold a public hearing for the final draft version of the updated zoning bylaws on March 25th, at 6:00 p.m., at the TCO.
