

ELMORE PLANNING COMMISSION
MEETING NOTES
SEPTEMBER 23, 2015

Present: Whit Hartt, Chair; Shelia Rysz, Jen Andrews, Kate Sprague, Phil Dudley
Guest: Kent Shaw, Elmore Webmaster

Kent Shaw was introduced to the new members of the Planning Commission. He explained the option of posting the agenda and/or meeting minutes ourselves. It is also possible to have a website email address for each commission/board member.

AGENDA:

- **Review of Subdivision Regulations:** The commission is close to completing work on updating the town's subdivision regulations. We will contact Taylor Foster (LCPC) regarding grant money availability.
- **Fluvial Erosion and Flood Hazard:** Shelia will contact Meghan Rodier (LCPC) re: completion of this ordinance. Once completed (clarified and qualified), the ordinance will be presented to the select board
- **Town Plan Recommendations:** Are exactly that – recommendations put forth by LCPC, following completion of the updating of the Town Plan. EPC will focus on what is important to and for the town.
- **Energy Future:** EPC will gather information and study the future of energy needs and uses in Elmore. We will breakdown the study into 3 or 4 components ie.; solar, wind, homes, and town-wide. Phil will read and research for our next meeting, and we will contact LCPC to see what information is available from that venue.
- **Mail:** Was reviewed.

Next meeting: Wednesday, October 21, 6:00 p.m. TCO.
