

Elmore Planning Commission Meeting
September 28, 2016

Present: Whit Hartt, Colin Reynolds, Jen Andrews, and Kate Sprague

New Business:

Sadly our meeting began with the news that both Whit and Colin would be resigning due to their busy work and family lives. The EPC will miss them.

Recruit New Members: Clearly the EPC is in need of new members now, a discussion ensued about how to find them.

Action: Whit and Colin both pledged to do their best to actively find replacements. Kate will spread the word at the Fire Dept. Dinner on Oct. 1st, as well as attend the Oct. 12th Select Board Meeting to ask for ideas.

Ongoing Business:

Energy Plan: Due to the departure of two members we decided to hold off on applying for the MPG for this year. However, development of an Energy Plan is still a goal of the EPC, one we will continue to work on.
