Re: Zoning Application Z-26-22

Dear Lindsey & Sam,

This letter is a **Notice of Granted Permit** regarding your Elmore Zoning Application Z-26-22. The Development Review Board reviewed and approved your application for a Conditional Use for an **additional driveway entrance** in a decision dated October 7, 2026. Since no “Interested Persons” were identified at your DRB Hearing your Permit is effective immediately.

This Zoning Permit constitutes a local zoning permit only. To determine if you may need other permits for your project you should contact:
Vermont Residential Building Energy Standards Certificate – required for all new residential construction or additions – 1-855-887-0673
Vermont Dept of Labor & Industry (Smoke Detector Law) – 828 2286

Good luck with your project, and please feel free to contact my office at any time.

Regards,

Charles Burnham
