## **Elmore Select Board**

### **Call for Volunteers: Join the Elmore EMS Services Advisory Committee**

The Elmore Select Board is forming an **EMS Services Advisory Committee** to help research and evaluate emergency medical service (EMS) options for our town. The committee will include up to four Elmore residents and one Select Board member.

We're grateful for the long-standing EMS partnership we've had with Morrisville—especially as they recently celebrated **50 years of dedicated EMS service** to the region. This committee is part of Elmore's due diligence to understand our town's evolving needs and make informed decisions for the future.

#### **Interested in serving?**

Please send a short note to Elmore Town Clerk Sandra LaCasse at [slacasse@elmorevt.org](mailto:slacasse@elmorevt.org). Include your contact info, why you're interested, and any relevant experience. Letters will be reviewed on a rolling basis until the committee is full.

#### **The committee will:**

- Research EMS service models and providers
- Review costs and funding options
- Gather public input and assess community needs
- Report monthly to the Select Board (starting Sept. 2025)
- Make recommendations for long-term EMS planning

This is a focused opportunity to contribute to something essential for Elmore. The committee is expected to serve through at least March 2026.

**Thank you for considering this important role!**
